The request and payment must be made within a period of time allowing the city to erect the sign at least 30 days before the license is applied for and shall remain up continuously during the pendency of the application. The applicant shall remove the sign within ten days after such application is acted on by the director of finance.

The employee shall first report to the police department of Columbus, Georgia for the purpose of applying for an identification card. Persons holding valid employee identification cards prior to January 6, 2004 are, despite the restrictions of this chapter, eligible to renew such employee identification cards through the Columbus Police Department as long as no new disqualifying offenses under section 3-6 have occurred since January 6, 2004.

(3) The chief of police shall within 30 days of application furnish to each qualified licensee and employee an identification card with pertinent information thereon relating to the height, weight, hair color, eye color, date of birth, social security number and photograph of the holder of such identification card. Said identification card will expire each year on the birth date of the applicant and must be renewed at such time, and said card must at all times be in the possession of such person affected hereunder for him to be eligible to engage in such business.

(4) Licensees shall submit written notice to the police department of the identity of transient entertainers, and such notice must be received in advance of their performance.

(d) All applicants for new mixed drink licenses shall give notice of their intent to make such application by advertising at least five times on different days in the daily paper published in the city in which the legal advertisements of the city are carried. Such notice shall contain a particular description of the location of the proposed business and shall give the name of the applicant, and if a partnership, the names of the partners, and if a corporation or an association, the names of the corporate manager or association manager to whom issued and the date such application would be considered by the director of finance. Sec. 3-9. - Transfers.

(a) An alcoholic beverage license may be transferred if:

(2) The new applicant, owner(s), stockholder(s), partners, and manager(s) possess the requisite qualifications.

An alcoholic beverage license may not be issued until the new owner has established that the sale of the business is bona fide.

(b) A license may be transferred without a transfer fee to the estate of a deceased owner provided that the representative of the estate possesses the requisite qualifications and has presented legal documentations to show that he or she is executor or representative of the estate.

(2) $500.00 for the transfer of all mixed drinks licenses with a $50.00 transfer fee for subsequent transfers of the same kind in the same calendar year, except mixed drinks licenses for nonprofit corporations for which the first transfer fee will be $100.00.

Such a transfer may only be made once during any calendar year. Such transfers shall not be permitted for any hotel or restaurant which has had an alcoholic beverage license revoked or where renewal of such a license has been denied within the preceding 12 months.

(g) An alcoholic beverage license that has been revoked or nonrenewed may not be transferred.

Sec. 3-10. - Renewals.
(a) All licensees shall renew their licenses annually on forms prescribed by the director of finance to be submitted with the taxes required for the renewed license.

(b) Except as otherwise provided in this chapter, no license shall be renewed where the licensee commits any act in violation of federal, state, or local laws or ordinances, or does anything else that would disqualify him on an original license application, nor shall any license be renewed where a new owner cannot qualify as provided in an original application. No person can qualify as a "new owner" if such person is the original licensee's spouse or cohabitant, a relative of the original licensee within the second degree of consanguinity, which term includes a step, adopted, or foster, parent, sibling, grandparent, uncle, aunt, niece, nephew, and first cousin. In addition, no partner or stockholder of the original licensee's partnership or corporation, or any person who has acquired the original licensee's business other than through a bona fide sale, shall constitute a "new owner".
