The sign shop has created a catalog of “Physical Distancing” signs, available to faculty and staff for display on campus. In an effort to keep signage and visual displays across campus as uniform as possible, faculty and staff must order signs through University Support Services.

***Any similar signage not originating from this department will be removed.
How to Order Signs:

If a faculty or staff member would like physical distancing signs, reminding others to keep six feet of distance, please submit an eQuest with the corresponding number(s) and a staff member with University Support Services will install the requested signage. Please include any specific instructions or requests in the eQuest to streamline the ordering and installation process.

*** In the Fund, Dept ID, Program and Class Code fields, make sure to type COVID-19 (as shown above) so the signs are purchased through the COVID-19 fund.
